

## SERVICES

VirtualWorks! offers training and consulting services to support virtual leaders and teams with the skills and information needed to effectively work together to achieve high-performance results.

### Learning/Training

Learning programs are tailored to organizational needs, incorporate proven skill development methods, and can be delivered through on-site training or webinar.

We offer:

- ◆ flexible designs for learning programs based on existing core content;
- ◆ custom-developed workshops/seminars, or keynotes;
- ◆ train-the-trainer certification (to enable your trainers to provide ongoing delivery of programs); and
- ◆ program licensing (to enable your organization to reproduce materials and provide delivery of training).

For program outlines and delivery options, please [contact us](#) to discuss your needs.

### Consulting

Consulting services are based on our experience in working with a wide range of organizations and industries, and each solution is tailored to meet the unique needs of the target group. We offer remote/hybrid team implementation planning, remote leader coaching, and support for development of high performance remote/hybrid teams.
